Needs:

- CLEAN-UP FUND—Immediate cash to take care of doctor bills, hospital bills, taxes, and other outstanding bills in event of your premature death.
- INCOME DURING READJUSTMENT PERIOD—Money to provide living expenses for family while readjusting themselves to a new life without the head of the family.
- INCOME DURING THE CRITICAL PERIOD—To maintain family of small children under care of their mother until the youngest child has at least completed High School.
- MORTGAGE INSURANCE—To cancel the mortgage on your home in the event of your death. Home life is the very foundation of our freedom and democracy. Protect your family's home.
- EMERGENCY FUND—To meet quick emergencies that call for ready cash—those unexpected expenses which your widow might have to face.
- INCOME FOR WIFE FOR LIFE—Security, happiness, comfort, and peace of mind for your wife during her sunset years.
- EDUCATION FOR CHILDREN—Jefferson Standard Educational plan spreads the cost and arranges for the money to be available when the child is ready for college.

***There is a Jefferson Standard policy for every life insurance need.***

# INTRODUCTION

HILL DIRECTORY CO., Inc., publishers of Southeastern Directories, present to subscribers and the general public, this, the 1949 edition of the Greensboro City Directory, which also includes Bessemer, Guilford College, Hamilton Lakes, Pomona and Starmount Forest.

Confidence in the continued growth of Greensboro's industry, population and wealth, and in the advancement of its civic and social activities, will be maintained as sections of this Directory are consulted, for the Directory is a mirror truly reflecting Greensboro to the world.

The enviable position occupied by HILL'S Directories in the estimation of the public, has been established by rendering the best in Directory service. With an unrivaled organization, and having had the courteous and hearty cooperation of the business and professional men and residents, the publishers feel that the result of their labors will meet with the approval of every user, and that the Greensboro Directory will fulfill its mission as a source of authentic information pertaining to the community.

### Four Major Departments

The four major departments are arranged in the following order:—

THE ALPHABETICAL LIST OF NAMES of residents and business and professional concerns is the first major department, printed on white paper. This is the only record in existence that aims to show the name, marital status, occupation and address of each adult resident of Greensboro and vicinity, and the name, official personnel, nature and address of each firm and corporation.

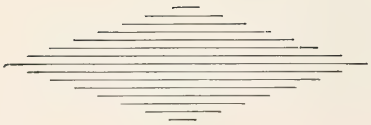
THE BUYERS' GUIDE, the second major department, printed on goldenrod paper, contains the advertisements of leading manufacturing, business and professional interests of Greensboro and vicinity. The advertisements are indexed under headings descriptive of the business represented. This is reference advertising at its best, and merits a survey by all buyers eager to familiarize themselves with sources of supply. In a large commercial and industrial center like Greensboro, the necessity of having this kind of information immediately available, is obvious. General appreciation of this fact is evidenced by the many reference users of this City Directory service.

THE CLASSIFIED BUSINESS DIRECTORY is the third major department, printed on yellow paper. This department lists the names of all business and professional concerns in alphabetical order under appropriate headings. This feature constitutes an invaluable and indispensable catalog of the numerous interests of the community. The Directory is the common intermediary between buyer and seller. As such it plays an important part in the daily activities of the commercial and professional world. More buyers and sellers meet through the Classified Business Directory than through any other medium.

THE DIRECTORY OF HOUSEHOLDERS, INCLUDING STREET AND AVENUE GUIDE, on pink paper, is the fourth major department. In this section the named streets are arranged in alphabetical order, followed by the numbered streets in numerical order; the numbers of the residences and business concerns are arranged in numerical order under the name of each street, and the names of the householders and concerns are placed opposite the numbers. The names of the intersecting streets appear at their respective crossing points on each street. Special features of this section are the designation of tenant-owned homes and the designation of homes and places of business having telephones.

### Community Publicity

The Directory reflects the achievements and ambitions of the community, depicting in unbiased terms what it has to offer as a place of residence, as a business location, as a manufacturing site and as an educational center. To broadcast this information, the publishers have



placed copies of this issue of the Directory in Directory Libraries, where they are readily available for free public reference, and serve as perpetual and reliable advertisements of Greensboro and vicinity.

**The Greensboro Directory Library**

Through the courtesy of the publishers of the Greensboro City Directory, a Directory Library is maintained in the offices of the Greensboro Chamber of Commerce, for free reference by the general public. This is one of more than 600 Directory Libraries installed in the chief cities of the U. S. and Canada by members of the Association of North American Directory Publishers, under whose supervision the system is operated.

The publishers appreciatively acknowledge the recognition by those progressive business and professional men who have demonstrated their confidence in the City Directory as an advertising medium, with assurance that it will bring a commensurate return.

HILL DIRECTORY CO., Inc.,
Publishers.

Value of public school property, $6,500,000; parochial, about $85,000; college, $14,626,243. 9 institutions of higher education in county, with 8,500 to 9,000 students. 31 urban public schools.

Public Libraries — 2, including branches, with total of 319,888 volumes (including college libraries).

City Statistics—Total street mileage, 275, with 155 miles paved. Miles of gas mains, 109; sewers, 200. Number of water meters, 14,400; electric meters, 37,300; gas meters, 6,202. Pumping capacity of water works (municipal), 30,000,000 gallons; daily average pumpage, 8,700,000 gallons; miles of mains, 200; value of plant, $4,500,000. Fire department has 98 men, with 7 stations and 18 pieces of motor equipment. Police department has 107 men, with 1 station and 29 pieces of motor equipment.

### History

GUILFORD COUNTY: Settled by Ulster Scots, English and Welsh, Quakers and Germans, principally between 1750 and 1770. The county was established in 1771, formed from parts of Orange and Rowan counties and named after Frederick (Lord North), Earl of Guilford. 624 square miles. Population, 153,916 (1940 U. S. Census).

THE O. HENRY HOTEL

GREENSBORO: County seat, chartered, 1808, located in exact geographic center of county; named for Gen. Nathanael Greene, hero of the Battle of Guilford Court House. Comprises 18.06 square miles. U. S. Census figures show steady growth: 1890, 3,317; 1900, 10,035; 1910, 15,895; 1920, 19,861; 1930, 53,569; 1940, 59,319. American-born, 99.8%. 27% Negro.

POINTS OF HISTORIC INTEREST: Battleground National Park on site of the Battle of Guilford Court House. Here Gen. Greene so crippled Lord Cornwallis that he was forced to surrender at Yorktown. Generally regarded by historians as the "turning point of the Revolution." Maintained as a national park. Historical museum and many monuments of battle heroes on grounds, including that of Gen. Greene, Winston, Caldwell, and the famous "giant," Peter Francisco.

Birthplace of O. Henry (Wm. Sydney Porter), internationally-famous short-story writer. Bronze tablet on Masonic Temple identifies the location. O. Henry exhibits at Public Library, O. Henry Hotel, and Mann's O. Henry Drug Co., 121 S. Elm St.

Dolly Madison's Well—identified by bronze marker near Guilford College.

Birthplaces of Dr. David and Rachael Caldwell, identified by bronze markers on Friendly Road.

Greensboro Historical Museum in Greensboro Municipal Center on Church Street.

**Government**

Assessed valuation of all property in Guilford County, $264,045,547 (1948). Tax rate, $1 per $100, plus 39 cent supplemental school tax on all property in the Greater Greensboro School District (1948). Total population, 1940 Census, 153,916 (largest in state).

Guilford County is administered by a commission of five elected at large. It is generally regarded as one of the best-managed counties in the state, being frequently pointed to as a model by the North Carolina Institute of Government.

Greensboro, county seat, is administered by a non-partisan council of seven elected at large. The council employs a full-time experienced city manager. For many years the council has been composed of successful business and professional men of demonstrated capacity in their private undertakings.

The council has directed municipal affairs upon well-established business principles uninfluenced by partisan political considerations. Good management is reflected in nationally-recognized superiority in public health administration; reduction of fire losses and low insurance rates; the salability of municipal bonds; low tax rate; efficient police protection; unusually good water supply; clean, well-paved streets; modern sewerage and sanitation facilities. These and other evidences of good government have given to the city an atmosphere of enterprise and well-being which causes it to be enthusiastically pointed out as "a good town."

GUILFORD COUNTY COURT HOUSE, GREENSBORO

### Education

GUILFORD COUNTY has nine institutions of higher education, with approximately 8,500 to 9,000 students. Eighteen modern consolidated rural public high schools and 13 urban public schools; total enrollment, 12,876.

GREENSBORO: The Woman's College, University of N. C., ranks high among liberal arts colleges in America. Founded in 1891. Advanced schools of music, art, dramatics, home economics, physical education and secretarial science. Grants bachelor of arts and science degrees and offers graduate work. Dr. W. C. Jackson, chancellor.

GREENSBORO COLLEGE (Methodist): For 100 years has been highly regarded as a liberal arts school for young women. Music, dramatics, and cultural courses leading to bachelor degrees. Dr. Luther Gobbel, president.

GUILFORD COLLEGE (Quaker co-ed.): Chartered in 1834—an accredited liberal arts college, conferring bachelor degrees. Dr. Clyde A. Milner, president.

HIGH POINT COLLEGE (M. P.): Founded 1924 at High Point. Liberal arts courses, bachelor degrees. Dr. G. I. Humphries, president.

OAK RIDGE MILITARY INSTITUTE (R. O. T. C.): Founded at Oak Ridge, 1851. Boys' preparatory school with long record for highest rating by War Dept. Col. Earl Holt, commandant.

AGRICULTURAL AND TECHNICAL COLLEGE (N.): Founded by State in 1891 for advanced training. Bachelor degrees. Dr. F. D. Bluford, president.

BENNETT COLLEGE (N.): Founded 1873—liberal arts—bachelor degrees. Dr. David D. Jones, president.

IMMANUEL LUTHERAN COLLEGE (N.): Founded in 1903. Religious training. Dr. H. Nau, president.

PALMER INSTITUTE (N.): Founded 1902—liberal arts. Dr. Charlotte H. Brown, president.

### Industry

Guilford County, according to data compiled by the Employment Security Commission of North Carolina, had a total labor force of 71,885 persons in 1946. Manufacturing employment totaled 31,576 in December, 1947. Wages amounting to $117,450,195 were paid 53,967 workers in 1947. These figures include only those employers having eight or more employees in 1947.

Greensboro's industrial structure is well diversified—there are cotton, silk and synthetic textile mills; women's full-fashioned silk stocking and men's hose mills; wood-working, laundry, sawmill, farm tool, machine tool and sheet metal industries; general foundry and stove works; ornamental iron and steel fabricators; sewer pipe and building tile manufacturers; overalls, work pants and sleeping garments plants; fertilizer plants, belting and textile specialties factories; lumber and millwork plants;

GREENSBORO MUNICIPAL BUILDING

chemicals and pharmaceuticals manufacturers; coffee-roasting, flour and food products plants; auto body builders; railway repair shops; ice cream and dairy products plants; printers and bookbinders; and a variety of specialty manufacturers.

The Cone Mills are the largest producers of cotton denim in the world. The Blue Bell Overall Co. is the largest in America, and the Mock-Judson-Voehringer Hosiery Mill and Pomona Terra Cotta Co. are the largest in the South. Vick's Vapo-Rub is known around the world.

### Commerce and Trade

Greensboro is easily accessible to a 50-mile trade area having a population of approximately 1,200,000. Retail sales for the area were approximately $778,279,000; wholesale sales, $621,322,000, in 1947.

CONE MILLS CORP., PROXIMITY PLANT

Greensboro is the home office of the Burlington Mills Corp., and located here are the Carter Fabrics Division of J. P. Stevens & Co.; a multi-million-dollar Sears, Roebuck & Co. mail-order plant; and a folding carton plant of the Container Corp. of America.

The principal industrial advantages are climate, good living and working conditions, availability of intelligent native labor, harmonious industrial relations, strict maintenance of law and order, efficient public utilities, adequate power, water and sewage-disposal; competitive transportation facilities, accessibility to raw materials and profitable markets, low taxes and insurance, and good government. Operating under these conditions and certain intangible factors, manufacturers have demonstrated that goods can be produced and sold at Greensboro for a larger net profit than in comparable establishments elsewhere, giving local plants a decided competitive advantage.

Greensboro is the principal market of the northern Piedmont. There are approximately 1,300 retail, service and professional outlets, handling goods, wares and merchandise lines available in metropolitan centers.

Wholesale and agency establishments travel between 1,800 and 2,000 salesmen and agents and distribute a wide variety of merchandise over a much larger territory. The area served has greater purchasing power than comparable areas surrounding Richmond or Atlanta.

The home offices of several large insurance companies, together with the territorial and general agencies of numerous national firms, offering all forms of coverage, have created

PILOT LIFE INSURANCE COMPANY HOME OFFICE

an "insurance fraternity" which characterizes Greensboro as the "Hartford of the South."

Greensboro is one of the principal cities for Virginia and North and South Carolina conventions. Because Greensboro is the focal point of the most densely populated area in these three states, many organizations register larger attendance at Greensboro than elsewhere. Class "A" hotels offer every modern facility.

Greensboro is territorial headquarters for many nationally-known firms.

### Transportation

REGULAR SCHEDULED DAILY DEPARTURES: 28 passenger trains, 221 busses in and out week days, (about 275 in and out Sundays), 26 planes daily, 24 freight trains, and 70 package cars.

Greensboro is the focal point of rail, highway, and air carriers of the northern Piedmont. It is served by the main line of the Southern Railway system (double-track), running north and south. Here also is the east and west line of the North Carolina Railroad (Southern operated), and the Southern Railway line, Greensboro to Winston-Salem and points beyond. Greensboro also is served by the Atlantic & Yadkin Railway, providing through rates and routes to and from points in all parts of the country by its direct connections with the Atlantic Coast Line Railroad, Norfolk & Western Railroad, Norfolk Southern Railroad and Seaboard Air Line Railway.

Modern union passenger, mail and express terminals with free pick-up and store-door delivery on LCL shipments. Railway Express Agency maintains express service on practically all passenger trains, making available passenger train express service at railroad freight rates to all points in North Carolina and to a large portion of Georgia, South Carolina, Tennessee and Virginia and a part of West Virginia.

A network of more than 2,500 miles of hard-surfaced highways within a radius of 50 miles, provides a means of easy access to Greensboro for approximately 170,000 automobile owners in the area.

Standard bus lines move in eight directions, connecting with all principal cities. Atlantic Greyhound, Carolina Coach and the other carriers operate under State regulations, clearing through a union terminal.

SEDGEFIELD INN AND GOLF COURSE

JEFFERSON STANDARD LIFE INSURANCE COMPANY BUILDING

Greensboro-High Point Airport — "Lindley Field" (a pioneer in the Southeast)—serves Greensboro and High Point. On Eastern Air Lines' main line, New York to Brownsville, Texas, and Mexico City, and Detroit to Miami. Also Capital Air Lines and Piedmont Airlines—passengers, mail and express. The field has paved runways; a first-order weather bureau, hangars, restaurant, modern lighting, service equipment, radio beacon, radio and telephone. Transportation facilities and density of population combine to make Greensboro more easily accessible to more people than any other city in the South Atlantic States.

Greensboro is served by a large number of trucking companies, having excellent warehouse facilities and operating large fleets of trucks in all directions, which further adds to Greensboro's transportation facilities, contributions to the development of fine character and strong citizenship.

Today all leading denominations are represented—Protestant, Catholic, Jewish—and maintain handsome and inspiring places of worship. There exists among all communes an extraordinary religious tolerance activated by progressive ministerial associations and the Council of Protestants, Catholics and Jews.

The social life of many rural communities centers around and in their neighborhood churches. The urban churches also have highly-developed social programs.

Modern country clubs at High Point, Sedgefield, Starmount and Greensboro have handsome clubhouses, where friends gather for dancing, bridge, study, musical programs, fox-hunting, riding, tennis,

GREENSBORO POST OFFICE AND FEDERAL BUILDING

with transportation rates to serve all industries on a fair basis.

### Religious and Social Features

The church as an institution has always been a powerful and constructive force in the life of every neighborhood in Guilford County. The Quaker Meeting House at New Garden (now Guilford College) was established in 1752. Old Buffalo Presbyterian Church was established in Greensboro in 1756.

Colonial churches at Alamance, Deep River, Friedens and elsewhere in this county have made important

skeet, hiking, swimming and many other forms of social intercourse.

Regular music and lecture courses bring outstanding attractions to the city: Authors and artists, symphony music, occasional opera and metropolitan stage productions. Seven moving-picture theatres (two largest seating 1,950) offer current attractions. Three auditoriums seating 2,700, 1,500 and 1,200 respectively.

The famous "Playliker" organization of Women's College, University of N. C., and the dramatic units at Greensboro and Guilford colleges offer an outlet for amateur theatricals.

HOTEL KING COTTON

### Recreation

Few sections offer greater opportunity for year-'round living out-of-doors, or more varied recreational advantages. The extent to which people in all walks participate in outdoor pursuits is remarkable, and has a distinct influence on community health and well-being. Greensboro has repeatedly won national recognition in municipal health contests.

The World War Memorial Stadium provides an ideal setting for major football games, day and night baseball, interstate track meets, tennis tournaments, etc.

A city-county park provides three lakes for swimming, fishing and boating. A recreation center near Jamestown affords a modern swimming pool. Brandt Lake offers boating and fishing.

At Sedgefield there are horses and foxhounds. The countryside abounds in quail and other game. Several game preserves are maintained by sportsmen of national prominence. There are numerous private clubs and camps nearby, containing hundreds of acres of land and water area.

Championship 18-hole golf courses, municipal and public golf courses, private tennis courts and swimming pools are offered by country clubs at High Point, Starmount, Sedgefield and Greensboro. A total of 270 acres reserved for parks and playgrounds by the City of Greensboro, and a full-time recreational director is employed to promote a well-rounded program of neighborhood activity throughout the year.

Pinehurst and Roaring Gap resorts within two hours' drive, and Greensboro is equi-distant between famed mountain and seashore resorts.
